REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Richmond Drive "went global" in 2010-2011. Over fifty families chose to join the RDES family in August 2011 to participate in the immersion Spanish and global studies program. Foreign language instruction expanded from third through fifth grade classes to include kindergarten, first and second grade students this year. Students learned science and social studies concepts totally in Spanish for twenty to thirty minutes every day. Senora Lynn Fulton, the lead Spanish teacher, was named the 2011 South Carolina Foreign Language Teacher of the Year. She also received a National Endowment of the Arts fellowship to study in Spain last June and July. Fifth grade students competed in a national video production contest promoting foreign language learning in schools. Administrators visited schools in Lexington, Greenville, and Charlotte to plan for future program expansions. Foreign language teachers wrote new curriculum for first and second grade students for next year. Students, parents, and staff look forward to expanding their perspective on the world.

The school community worked together in many other ways to help students grow and thrive this past year. First Assembly of God, Rock Hill Bible Fellowship and Westminster Presbyterian Church organized the Back to School Fair to help every student get a great start to school. PTO hosted the first Tiger Trot Fun Run which raised over \$16,000 for the school. Every student ran and received a Richmond Drive t-shirt, a snack, and a lot of encouragement from parents, Winthrop athletes, and staff members. It was a fantastic day. Richmond Drive students won the first ever district-wide Battle of the Books. Four teams of students read five different books and competed in the quiz bowl competition. Students learned about the environment through field trips to Camp Cherokee, the Catawba River, and Charleston. Others visited the Statehouse in Columbia, the Daniel Stowe Botanical Gardens in Belmont, and Discovery Place in Charlotte. Richmond Drive children experienced their own neighborhood by walking to Winthrop Lake, Fewell Park, and Winthrop Commons' restaurants and businesses. The school is fortunate to have a community that overwhelmingly supports teaching and learning.
